

High Energy Costs – Possibilities for absorption of costs

If you receive **Arbeitslosengeld II or Sozialhilfe**, please contact the clerk in charge of your case and inform him immediately about the increased down payments and apply for a takeover of the additional claim.

If you receive **Kinderzuschlag or Wohngeld** please report increased heating costs to the family benefits office or the clerk in charge of your case. It's also possible to apply for a takeover of the additional payments at the Jobcenter.

If you are **low-income earner** you can receive - depending on your income - a one-time takeover from your Jobcenter – just for the month in which the additional payment is due.

→ **File the application immediately, within the same month you receive the invoice with the additional payment. At a later date frequently the Jobcenter only has the possibility to grant a loan!**

► Please find the form for the application on this page

You can agree on a deferred payment with your energy provider / landlord.
